

MUF CHILDREN'S CHOIR

This fall we are planning a new children's choir program for GRADES 1-6, with the Choir participating regularly (perhaps even weekly if response is strong) at Sunday Services. The proposed Sunday schedule is:

8:30 AM warmup

9:00 Service (or Children's Chapel on the first Sunday of each month)

There will also be weekly rehearsal except when there is a school holiday. Please indicate your preference for rehearsal time as indicated below. We plan to find a rehearsal time that will accommodate as many busy schedules as possible.

Parents, I will see to it that Choir is a fun as well as a learning experience for your child(ren). I ask that you remember that, no matter how much fun Choir may be, the nature of being a child means that children can lose some interest with time. I am counting on you to encourage your child(ren) to make a commitment to Choir as an important way they can support and enliven our Fellowship, and to stay with the Choir through regular attendance for the "long haul."
